

# ESS Science Symposium - Neutrons for Future Energy Strategies

## Monday, 27 May 2013

### Session I - OSGA / E06 (09:10 - 10:30)

| time  | [id] title  | presenter                |
|-------|---|--------------------------|
| 09:10 | [57] Energy Research at the Paul Scherrer Institute   | WOKAUN, Alexander        |
| 09:50 | [62] Solar Fuels : from natural to artificial photosynthesis - chemistry for the production of hydrogen from solar energy and water | Prof. STYRING, Stenbjörn |
