

# Hand-over to ILL

Jean-François Perrin (Institut Laue – Langevin)

## ILL as Chair of the Steering Committee ?

- Any other volunteer ?
- Any voice against ?
- Discussion / vote ?
- Co-chair ?

- Try to continue the good work done so far, keep the momentum.
- Keep the current organisation.
  - F2F meetings twice a year ? Video conf ? Merge 1 with RDA ?
  - Liaise with RDA FIMig (<https://rd-alliance.org/group/federated-identity-management.html>) & FIM4R
  - Liaise with the NRENs : Switch – Janet – ... through the partners
  - Communication through facilities – don't be shy.

- Focus on AAI, uptake of other initiatives is very low and resources sparse.
- Security (ICAT Implementation)
- Foster uptake by the community :
  - Increase nb of applications that propose Umbrella not only USOF but also Indico, soft repositories, ...
  - Other projects (calypso, nmi3, ... )

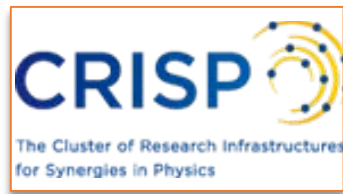

# umbrella Funding new developments

---

- PaNDaaS if successful
  - T7.1 Enabling data and compute access using the Umbrella-ID federation. (62 M)
  - T7.2 Level Of Assurance (LOA) & Authorisation (24M)
- Any other ideas ?

# Roadmap for Umbrella deployment

## Concept

- unique persistent Identifier on EU scale
- independent of home institution
- life time account
- account owned by the user
- single sign-on
- no possibility for cross-facility information pull
- waterproof but slim data protection system
