

# Electrochemical Energy Storage: A Key for Future Energy Systems

Heat & Electricity Storage

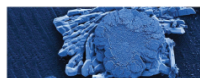

2<sup>nd</sup> Symposium

May 5, 2015  
Paul Scherrer Institut

Electrochemical Energy Storage:

A Key for Future Energy Systems

May 6, 2015  
Paul Scherrer Institut

31<sup>st</sup> PSI Electrochemistry Symposium

Contribution ID: 16

Type: **not specified**

## An Overview of the UK Energy Storage Research Network and SuperGen Energy Storage Hub

*Tuesday, 5 May 2015 09:45 (30 minutes)*

**Presenter:** Prof. BRANDON, Nigel (Imperial College, UK)

**Session Classification:** Energy Storage: International Outlook UK
