

# Electrochemical Energy Storage: A Key for Future Energy Systems

Heat & Electricity Storage

2<sup>nd</sup> Symposium

May 5, 2015  
Paul Scherrer Institut

Electrochemical Energy Storage:

A Key for Future Energy Systems

May 6, 2015  
Paul Scherrer Institut

31<sup>st</sup> PSI Electrochemistry Symposium

Contribution ID: 5

Type: **not specified**

## Recent Advances on Li-batteries and Beyond

Wednesday, 6 May 2015 15:00 (1 hour)

**Presenter:** Prof. TARASCON, Jean-Marie (Collège de France)

**Session Classification:** Batteries
