

# Electrochemical Energy Storage: A Key for Future Energy Systems

Heat & Electricity Storage

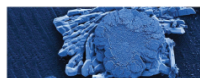

2<sup>nd</sup> Symposium

May 5, 2015  
Paul Scherrer Institut

Electrochemical Energy Storage:

A Key for Future Energy Systems

May 6, 2015  
Paul Scherrer Institut

31<sup>st</sup> PSI Electrochemistry Symposium

Contribution ID: 4

Type: **not specified**

## Electrolytes as Key to New Battery Technologies

Wednesday 6 May 2015 14:00 (1 hour)

**Presenter:** Prof. WINTER, Martin (University of Münster)

**Session Classification:** Batteries
