

# Physics of fundamental Symmetries and Interactions - PSI2016

## Wednesday, 19 October 2016

### We - 3 (14:30 - 16:10)

-Conveners: A. Papa

time	[id] title	presenter
14:30	[229] Present status and future experiments in fundamental muon physics	Prof. HERTZOG, David
15:00	[210] The MuSun Experiment: First analysis of production data	Ms RYAN, Rachel
15:20	[223] Measurement of muonic hydrogen 1S hyperfine splitting at RIKEN-RAL	Prof. IWASAKI, Masahiko
15:50	[188] Low emittance muon source for muon g-2/EDM at J-PARC	Dr MARSHALL, Glen
