

# Second Workshop on Ultrafast Dynamics in Strongly Correlated Systems

## Monday, October 10, 2016

### Session 1 Strong field effects - OSGA/EG06 (PSI Education Centre) (9:00 AM - 10:20 AM)

-Conveners: Alexander Kemper

time	[id] title	presenter
9:00 AM	[30] Time-Domain Quantum Physics of Electrons	LEITENSTORFER, Alfred
9:40 AM	[31] Ultrafast Structure Switching through Nonlinear Phononics	JURASCHEK, Dominik
10:00 AM	[32] Time-resolved XUV photoemission: a new clue for understanding the ultrafast dynamics in copper oxides	CILENTO, Federico
