

Contribution ID: 38

Type: **Poster**

Noise comparison of phase-stepping and angular signal radiography

Wednesday 13 September 2017 12:30 (2 hours)

Author: Mr WALI, Faiz (National Synchrotron Radiation Laboratory, University of Science and Technology of China)

Co-authors: Dr GAO, Kun (National Synchrotron Radiation Laboratory, University of Science and Technology of China); Dr ZHU, Peiping (Institute of High Energy Physics, Chinese Academy of Sciences); Dr TIAN, Yangchao (National Synchrotron Radiation Laboratory, University of Science and Technology of China); Dr WU, Zhao (National Synchrotron Radiation Laboratory, University of Science and Technology of China)

Presenter: Mr WALI, Faiz (National Synchrotron Radiation Laboratory, University of Science and Technology of China)

Session Classification: Lunch break & Poster session

Track Classification: Signal retrieval
