

Contribution ID: 2

Type: **Invited Talk**

Challenges for grating interferometer X-ray computed tomography for applications in materials science

Tuesday 12 September 2017 15:30 (30 minutes)

Author: Prof. KASTNER, Johann (Upper Austria University of Applied Sciences,)

Presenter: Prof. KASTNER, Johann (Upper Austria University of Applied Sciences,)

Session Classification: Materials Science - 01

Track Classification: Materials science
