Synchrotron radiation based single and double grating phase microtomography

Thursday 14 September 2017 12:10 (20 minutes)

Authors: Dr SCHULZ, Georg (Biomaterials Science Center, University of Basel, Switzerland); Mr THALMANN, Peter (Biomaterials Science Center, University of Basel, Switzerland)

Co-authors: Mr HIPPEL, Alexander (Institute of Materials Research, Helmholtz-Zentrum Geesthacht, Germany); Prof. MÜLLER, Bert (Biomaterials Science Center, University of Basel, Switzerland); Dr BIKIS, Christos (Biomaterials Science Center, University of Basel, Switzerland); Dr BECKMANN, Felix (Institute of Materials Research, Helmholtz-Zentrum Geesthacht); Dr DEYHLE, Hans (Biomaterials Science Center, University of Basel, Switzerland); Dr HIEBER, Simone Elke (Biomaterials Science Center, University of Basel, Switzerland)

Presenter: Mr THALMANN, Peter (Biomaterials Science Center, University of Basel, Switzerland)

Session Classification: Clinical Applications - 02

Track Classification: Clinical applications
