Description

16-1354-01 PSI_CH_dielectric structure

		Quantity
1	Engineering set-up dielectric structure (structure_1_v3)	1
	Item Code: 1354-01.D-FP.OSO	
	Based on: structure_1_v3.stp. NRE cost, only invoiced once.	
2	Sample dielectric structure (structure_1_v3)	1
	Item Code: 1354-01.S-FP.OSO	
	Based on: structure_1_v3.stp. Material: Fused silica 1mm. Note: One sample "best effort" included in the design phase, for evaluation and approval before serial production.	
	Serial No.: 135401V3D2S1
