9:10 AM

Time-resolved techniques

Session | **Location:** Beatenberg, Switzerland, Hotel Dorint Blüemlisalp Hubel 114 3803 Beatenberg Switzerland | **Convener:** Christoph Bostedt

9:10 – 9:20 AM **Introduction**

Speaker
Christoph Bostedt

9:20 – 9:45 AM **Diffractive imaging of clusters and ultrafast dynamics**

Speaker
Dr Daniela Rupp

9:45 – 10:10 AM

The ultrafast soft x-ray and electron diffraction perspective on photophysics in the gas phase

Speaker
Prof. Markus Gühr

10:10 – 10:25 AM

Unravelling ultrafast dynamics of polycyclic aromatic hydrocarbons upon photoionization using extreme ultraviolet radiation

Speaker
Pragya Chopra

10:25 AM
