

EWPAA 2019: European Workshop on Photocathodes for Particle
Accelerator Applications

Contribution ID: 35

Type: **not specified**

**Low emittance beams from advanced cathodes for
UED/UEM**

Thursday, 12 September 2019 08:30 (20 minutes)

Presenter: LI, Renkai (SLAC)

Session Classification: New Photocathode Technologies; Novel Electron Sources
