

EWPAA 2019: European Workshop on Photocathodes for Particle
Accelerator Applications

Contribution ID: 42

Type: **not specified**

**The characterization measurements of yttrium
photocathode performed at the Cavity Test Facility at
ELETTRA**

Thursday, 12 September 2019 14:00 (22 minutes)

Presenter: JESSICA, Scifo (INFN-LNF)

Session Classification: Metallic Photocathodes: Operation and Demonstration
