

Session Program

29-30 Oct 2019

PSI Condensed Matter Retreat 2019 @ FHNW Brugg

ENE talks

FHNW Brugg

Wednesday 30 October

13:30

ENE talks: In situ and operando characterization of materials for energy

Session | **Location:** FHNW Brugg

13:30–13:50

In situ and operando characterization of materials for energy: Outline

Speaker

Thomas Justus Schmidt

13:50–14:10

X-ray absorption Spectroscopy

Speaker

Maarten Nachtegaal

14:10–14:30

Near Ambient Pressure X-ray Photoelectron Spectroscopy

Speaker

Luca Artiglia

14:30
