

Session Program

17-19 Feb 2020

Kick-off workshop for the search of a muon EDM using the frozen spin technique at PSI

Welcome and Overview

Monday 17 February

09:00

Welcome and Overview: General 1

Session | **Location:** WHGA 001 | **Convener:** Philipp Schmidt-Wellenburg

09:00–09:10

Welcome to PSI

Speaker

Philipp Schmidt-Wellenburg

09:10–09:50

Theoretical Motivation for measuring the muon EDM

Speaker

Andreas Crivellin

09:50–10:30

The search of the muon EDM using the frozen spin technique at PSI.

Speaker

Philipp Schmidt-Wellenburg

10:30
