

Session Program

7-11 May 2023

Operando VII

Plenary lecture

Grindelwald, Sunstar Hotel
Dorfstrasse 168, 3818 Grindelwald Switzerland

Monday 8 May

09:00

10:00

Plenary lecture: Materials for clean air, selective oxidation and sustainable chemicals: Probing catalysts at various complexity scales by operando spectroscopy and microscopy

Session | **Location:** Grindelwald, Sunstar Hotel , Dorfstrasse 168, 3818 Grindelwald Switzerland | **Convener:** Jan-Dierk Grunwaldt

Wednesday 10 May

09:00

10:00

Plenary lecture: Operando, multimodal characterization of bimetallic catalysts with electrons and x-rays

Session | **Location:** Grindelwald, Sunstar Hotel , Dorfstrasse 168, 3818 Grindelwald Switzerland | **Convener:** Eric Stach
